Sub: - Verification of Candidates who completed (N+2) and appearing for Final year (Fresh) with/without backlog of pre final year.

Madam /Dear Sir,

This is in reference to decision by the university authorities regarding N+2+1 years to complete the academic programs, in order to get the degree/post graduate degree. Please refer to letter dated 11th December 2025, with reference no. Exam/S&T/1922. Attached herewith for ready reference.

As per university records, there are some students who were eligible to avail the benefit of N+2+1 in the academic year 2025-2026. However, these students might/might not took admission and completed the academic requirements to appear for examination.

You are requested to verify the records as per academic guidelines, terms and conditions by university and apex bodies and update the records under the N+2 Span Period Completed Student tab. University will verify the records, undertaking etc. from system.

You are requested to attach undertaking and letter stating fulfillment of academic requirements of attendance & term. Your early response in this regard will help out earliest scheduling of examinations. Please submit the required data and letters on or before 25th May 2026 EoD.

Thanking you in anticipation of cooperation.
