One Day Workshop on  
Patent Application and Processing**

**Workshop Report**

One Day University Level Workshop on 'Intellectual Property Right: Patent Application and Processing ' has organised by Rayat Shikshan Sanstha's C D Jain College of Commerce Shrirampur with special efforts by Research Centre in Commerce and Management on Saturday 9th Jan 2017 in Hall at 10.00 a.m .

Research Centre in commerce and management continuously tries to motivate the research culture in the institute's environment . In the previous month college has conducted seminar on IPR with special reference to Patent and Plagiarism. The Outcome of this workshop was fruitful as each and every participant has come to know the technical and legal aspect of Patent. Meaning, types of patent, process of registration, duration of a patent etc. as well as the Plagiarism topic highlighted the unethical practices run which are banned under the plagiarism Policy. To broaden the concept of Intellectual Property Right Research Centre has organised One Day Workshop On " Intellectual Property Rights : **Patent Application and Processing** " . The Core Concept of this Workshop was Patent Application and filing .
