Online Faculty Development Programme on  
**'Educational Video Creation E-Content Development'**  
3<sup>rd</sup> to 8<sup>th</sup> AUG 2020

• **About Programme :**

The Covid-19 epidemic has brought the life to standstill. This has severely hampered the educational scenario. The future education sector will try to adopt the new tools and techniques which can use unconventional methods of teaching and learning.

Video lectures and tutorials are one of the most useful methods. But creating educational videos with appropriate content and quality is skilful work. There are several tools and methods available to create effective education videos.

The current training program aims towards imparting such skills to the teaching fraternity. This skilful teaching fraternity will be able to develop their own educational videos and distribute to the learners through appropriate online media for effective teaching and learning. Mode (Online): Video lectures, Hands-on, Discussion, Assignments, Tests Participants will be issued E-Certificates on successful completion of Assignments and Tests. Submission of video created is mandatory.

## **Online Faculty Development Program**

### **On “Educational video Creation and E-content development”**

#### Objectives:

The corona virus has affected the global economy and normal life. Educational institutions are no exception to this .but Information and communication technology (ICT) is helping to run the education system smoothly. This is a very important step taken by many educational institutions from the point of view of students. Rayat Shikshan Sanstha is imparting education institutions to enhancing skills of students in rural areas through technology. For that C.D. Jain College of Commerce has organized Faculty Development Programme based on this topic has been taken by the institute. This subject is helping to run the education system on practical knowledge. This very important step has been taken by many educational institutions from the point of view of students. In order to provide practical information to the rural professors and teachers on this subject. This is six-day online workshop programme for on educational video production and content development at C. D. Jain College of Commerce, Shrirampur.

#### Details of Program as per follow
