Date: 07 FEB 2018

Time: 03:30 PM

Faculty Development Program on “Training Program on Language software (ENTNL 0.4)” was organized by IQAC and Language Laboratory (English Department).

The session started with the introductory speech of Hon. Dr.S.N.Gawali stated the importance of English Language and felicitated Dr. Bawke B.B. and handed over the session for practical training.

Trainer Dr.B.B.Bawake introduced the topic and stated that ENTNL Digital Language Software Lab is a unique State of Art solution developed to improve communication of all level of students by concentrating on basic language learning skills i.e. Listen, Speak, Read and Write (LSRW). It helps to improve oral as well as written skills of student. It teaches how English can be used in day-to-day activities.

Faculty can improve the command over their language, gain confidence and get ready for real world challenges like facing interviews, doing presentations, expressing thoughts, etc. Digital Language Lab involves students to actively participate in language learning exercises and get more practice than otherwise possible in a traditional classroom environment. He has shown the practical with the help of complimentary study material for self-practice, assignments, audio, video presentations and clippings, etc.

He stated and concluded the session that the software can be used as a teaching aid by providing application of Information Communication Technology in English language. It is user friendly software which can be easily operated by non-technical persons as well as non-computer savvy user.

Dr. Sayyed S.B. proposed vote of thanks.
