“Use of E-Contents for Effective Teaching Learning Process”

Report

Date: 22nd April 2018

Time: 11:00AM

Teacher Training Program on “Use of E-Contents for Effective Teaching Learning Process” was organised by Rayat Shikshan Sanstha’s C. D. Jain College of Commerce, Shrirampur on 22nd April 2018.

• Inaugural Function

The Inaugural session of this training programme was chaired by IQAC Chairman Principal Dr. L. D. Bhor (Principal C. D. Jain College of Commerce, Shrirampur.) and Resource Person Ms Bhawsar B. S. (Assistant Professor C. D. Jain College of Commerce, Shrirampur.). 23 Staff Participants was present for this training programme. Prof. More Vivek gave an introductory speech.

• Technical Session:

Resource Person Prof. Bhawsar B. S explained good teaching can't happen without student learning. Teaching and Learning are the two sides of a coin. Teaching is complex and demanding work that requires highly specialised skills and knowledge to impact significantly on student learning. Information technology and the Internet are major drivers of education growth and social change.

She explained E-Content is fast and recent trend in world wide. E-Content generation and adaption procedure is proposed for effective teaching and learning different subjects. Multimedia is a combination of digital media into a presentation to convey a message to students. She explained different modules of e-content such as e-text, PPT, Animation, Audio and Video lectures.

She also explained E-content benefits, such as e-contents are student centered. The students are the core of any e-content system. Materials and activities are designed with the needs and interests of the student in mind. The e-content will be interactive. e-content can be take place anytime and anywhere. E-Content is also useful for physically or otherwise challenged students to more fully participate. It also provides consistent and effective training.

Prof. Mr. Lande moved vote of thanks of this training Session.
