Carrier Opportunities in Indian Army

Armed Forces offer excellent career opportunities to the adventurous young candidates. It is a career that offers immense facilities, a privileged lifestyle and of course, honour in serving the country. The Armed Forces characterize the ideals of service, sacrifice, patriotism and our country's composite culture. The basic responsibility of the Army is to safeguard the territorial integrity of the nation against external aggression. In addition, the Army is often required to assist the civil administration during internal security disturbances and in the maintenance of law and order, in organizing relief operations during natural calamities like floods, earthquakes and cyclones and in the maintenance of essential services.
